Map to the Fairy Trail!

From Shelter 6:

*Between the wetland,
And the lake,
Is the path,
You need to take!*

*Head to the left,
And then to the right,
You are almost to seeing
A fairy or sprite!*

From Shelter 5:

*For you it is
A longer road.
First you must travel,
To where horses unload.*

*Below the lake,
Along the woods,
Look for the signs,
And you will be good!*

Fairy Trail

Welcome!

1. Follow the trail and search for signs of fairy folk
2. Observe carefully and kindly. Leave everything where you found it.

HOW TO SPOT A FAIRY

Sit quietly and patiently with your eyes half open, while focusing on a spot under a big tree.

Which fairy friends can you find along the way?
