

nature

INVESTIGATION CARD

Come to Infirmiry Mound Park in Granville, Ohio and walk the Fairy Trail! Read this book along the path and search for fairies. For a fun activity at home create your own fairy home! Remember fairies live in nature so use only natural materials! Hot glue does not hold up well outside so instead use super glue or gorilla glue. Add decorations like moss or antlers that you might find on walks. Rocks and pine cones can make great additions to your home! Be creative and have fun! The house you build can be put in your garden at home to start a fairy village! Please do not add your house to the fairy trail without first contacting the LPD offices for permission!

Remember Glitter is Litter and can hurt Fairy friends!!!!
